## NHS 1986 20<sup>th</sup> Reunion 2nd Meeting Agenda 04/01/05

### ATTENDEES

Tiffany Pelton  
Gerald Stone  
Joseph Rainwater  
Rebecca Spalding Jarmon  
Kristin Larsen  
Carrie Hall Long  
John Chitwood  
Amy Blankinship Gregg  
Tracie Dixon Beck  
Stacey Davenport  
Samona Hendricks Votaw  
Julie Trent Denton

### SUMMARY OF MEETING

We had a pretty good crowd of alumni attend this meeting. Dee Anne Herron, Kim Cox Wainner and Sally Bayless Robertson could not attend this meeting, but we had some new alumni show up. Even though we did not have much time to talk before the band played, we very quickly went over the status of action items and new business.

**Tiffany** made contact with someone at NHS and presented options to the committee on charitable donations –Baby Steps, Independently Living (homeless children), yearly scholarships. She also brought a sample plaque that we could have made to be placed in front of the marble bench that we are going to donate to NHS from our class as a memorial. She also informed us that NHS did not have the student store online, but we could order large quantities of NHS logo merchandise to sell on our website.

**Kim** obtained information on memorial bricks after the last meeting, but since Gerald located and obtained the marble bench for a memorial, we may punt the idea of purchasing memorial bricks.

**Gerald** picked up the marble bench that he located from the quarry and it is now in his possession.

**Julie** set up arrangements for this meeting. She also reminded the group that she has access to the snow-cone machine that we could use for a fundraiser.

**Sally** accepted position as Treasurer and account has been opened. To date we have \$150 that Sally and Nolita added to the pot. Sally is going to talk to Ted Moore about the use of the polo club for the Friday night indoor/outdoor party.

**Nolita** corrected “Coupling” page (a couple of times since the first meeting) and created a “Military Dedication” page. She checked into her contact for videography and that person is unavailable for Father’s day weekend 2006. To date we have 27% alumni confirmed, 18% contacted, yet they have not confirmed their information and the remaining alumni are being contacted. The plan is to get the search team to turn in their “really really lost” alumni list to Peter Stawicki by the end of April. Also, we will be sending out postcards in May/June to LKA of some alumni.

**Kristin Larsen** was in town from New York and attended the meeting. She was introduced to the group as the “Face” book contact person and she will also be doing the “*Tiger Beat*” newsletter pending enough interest. She has a local person (Greenshields) who can do the print/bind the book for really cheap (yea!).

**Rebecca Spalding Jarmon** was also in town and was introduced to the team as the lead for any slideshows at the reunion. Rebecca has all of the equipment needed for a picumentary and is in contact with NHS trying to track down old archives of the Tiger Den shows.

## NHS 1986 20<sup>th</sup> Reunion 2nd Meeting Agenda 04/01/05

**Joseph** is working on the “search” team and music for the reunion. He has also produced the postcard mailers to be mailed out TBD to alumni. He discussed using Kristin’s local printer for printing these cards.

Many alumni present liked the idea of providing childcare at The Holiday Inn in a couple of rooms. Some alumni have daughters that could help watch the smaller children and parents could pay a nominal fee for this service. We will be looking into the requirements for number of children per room and how many adults would need to be present to provide this service. Also, Rebecca and/or Joseph will be checking with Holiday Inn to see about getting a block of rooms and any discounts available.

**Carrie Hall Long** is going to help produce an online survey for the contents of the “Face” book. It will be similar to the update form, but will have extra fields such as “hobbies”, etc.

**Samona Hendricks Votaw & Stacy Davenport** are working on organizing a run/walk starting at the high school. At this point we are not sure if the walk will be dedicated to the alumni who have passed on or just to our class. Not sure if we will raise any funds with this walk, but any money generated could go towards our charitable donation. All of this is still in the works.

**John Chitwood** amazed us with his musical talent – the group gave a complete thumbs up on Trayler Trash playing at our reunion. John even went a step further in offering up his sound system for use in any fundraisers we have. (Maybe we could have a Trash-poolooza out at Andrews Park and sell sno-cones etc.!) John said that as long as the girls got \$100 each, we could have Trayler Trash AND their sound system at the reunion! What a great deal. With Joseph burning the music to CD, we will save a lot without having a DJ!

**Amy Blankinship Gregg and Tracie Dixon Beck** escaped without any action items, but don’t worry, there will be more opportunities to help. If you think of a way you’d like to help, please let me know. Monty Longman dropped by the table for a bit and left with a card containing the NHS URL and directions to pass the word on to Ann Longman.

### FOLLOW UP MEETINGS

3rd MEETING DATE/TIME: 05/06/05 Starting at 11am  
MEETING LOCATION: Kim Cox Wainner’s House

4th MEETING DATE/TIME: 06/11/05 Starting time TBD  
\*\*\* *Family/friends welcome to come to lake party also!!!* \*\*\*
