SUMMARY

We had a brief meeting mainly discussing our fundraising options and locating lost alumni. Gerald treated the attendees to some nice homemade cooking (Thanks, Gerald...you are spoiling us!). Also, thanks to Kim for letting us convene at her house.

Ron Collins attended in John Chitwood's place and gave a couple of demo CDs of his guitar playing for the group to hear and give to the music man, Joseph Rainwater. The group mainly talked about the idea of having a free concert fundraiser at Andrews Park Kim is going to call the City of Norman to find out more information on reserving the pavilion, etc. Ron is going to mention the idea to John to see if his band might be interested. After we gather more information, we can look at dates. We would like to incorporate the use of Julie's friend's sno-cone machine and maybe sell other goodies if possible.

The group also discussed possible locations for the Saturday night dinner and trying to tie that venue in with a block of rooms. Nolita got information on renting out 3 venues: Stadium Club, Molly Shi Boren ballroom in the OK Memorial Union and Old Town Hall and is also going to contact the NCEP (aka Postal Training Center) about renting a banquet room and tying it to blocks of guest rooms. So far the Stadium Club seems like it will be out of the ballpark without any discounts. Will report findings at the next meeting.

Gerald updated the group with the status of the granite bench he picked up (to be donated to the high school from our class). He took the bench to the engravers to have "Class of 1986" engraved. He will have the bench at his house until the dedication next year. The group talked about having a continental breakfast at the high school, then a quick tour of the school ending with the dedication of the bench.
