Subject: 5/6/06 Meeting Minutes - Next Meeting 5/21/06 4pm
To: nolitamorgan@sbcglobal.net

Attendees: Julie, Carrie, Stacy, Samona, Nols, John

What was accomplished since last meeting:

- 1) Tiffany contacted Tim Sweatte @ Classic 50's. He said he would be more than happy to do the picnic thing and give us a good deal. We can include coupons in the welcome bags.
- 2) Elisabeth started accumulating prizes and contacting alumni for possible donations. Any suggestions or prizes should be forwarded to her at beddow@cox.net Please check out the awards page. If we need to eliminate a category or add another or just change something let me know. If you can help with prizes or know someone who would be willing to donate items for prizes, please let Lizzy know.
- 3) Stacy brought a sample Welcome bag from the Chamber and we discussed adding some black/orange ribbon to personalize. She updated us on the letter from the mayor and we should have that soon. We will make copies and put them in the bags as well as name badges and any other goodies we can get our hands on.
- 4) John brought a mock up of the unisex t-shirt which Julie later modeled and it's now posted to the website at <http://www.nhs1986pack.com/20year/t-shirt.html> Thanks John and Julie!
- 5) Nols posted a listing of who's attending (along with who's not and their lame excuses) at <http://www.nhs1986pack.com/20year/attendees.html> - please have a look and let me know if I need to update anything. If you do not have a status by your name, please let me know if you will be attending or not.
- 6) Carrie showed us options for printing the invite to the families of fallen alumni. We also talked about Glenn Wilson who passed last month and Stacy will be getting any info to Julie/Carrie about his family here in town. Lori, if you know more information, please pass it along to Julie or Carrie.
- 7) We talked about the centerpieces and decorating at Cobbestone. Next meeting Julie will have a demo centerpiece for us to see. Julie will order balloons/other supplies.
- 8) Nols is meeting with Kurt at Mercury Sign Monday to order the banner. The plan is to order an orange 3 x 10 banner with the NHS logo just saying "Welcome Norman High School Class of 1986" so we can reuse it at future reunions.
- 9) Julie brought samples of logo'd items we could purchase, but we need to check the budget before we can order anything. Anyone have any suggestions?
- 10) Nols is meeting with Kris Abbey at Cobblestone Wednesday to go over the menu and check out the clubhouse set up.
- 11) Rebecca is not going to be able to attend the reunion (Maddie's in South Pacific and the shows will be going on the 2nd and 3rd weekends in June). :(I asked her to contact Melissa Chavis to see if she could help Bill with the golf scramble. Will hopefully hear back from Rebecca/Bill on the updates soon. Currently we have 2 people signed up for the scramble, but many more said they wanted to play. I will send out a reminder after I hear back from Bill/RJ.
- 12) Memory Book submissions are trickling in and looking good. Please consider sending yours in BEFORE the reunion so that those working on the book can a good portion of the massaging done before the reunion.
- 13) Nols contacted Jack FM about announcing our reunion and website and they said they "get it on". Stacy mentioned posting something in the Norman Transcript also - will look into that this week.

***** Please keep updates coming in and keep the motivation up. I know that people will really appreciate our efforts. If there's anything I've missed in these minutes, please let me know ASAP so I can correct and post. Also, if I am forgetting anything at all (like important arrangements/deadlines for the reunion), please let me know! *****

Things to expect at the next meeting Sunday 5/21/06 4pm at Stacy Davenport's house (directions/map to follow) :

- 1) Sample formatted Memory Book Page
- 2) Sample centerpiece
- 3) banner
- 4) Sally? (hopefully as it will be after finals)
- 5) We should hear back from Dr. Chesley about the location she's picked for the bench.
- 6) T-shirts should be in also!
